MEMORANDUM FOR RECORD

SUBJECT: Command Master Religious Plan FY 2015

1. The attached Command Master Religious Plan (CMRP) for fiscal year 2015 outlines requirements to meet the religious, spiritual and ethical needs of our Soldiers, DA Civilians and Family members. This CMRP outlines programs for our Brigade and supports command objectives and priorities. It is consistent with the Chief of Chaplain's goals, objectives, and AR 165-1, Chaplain Activities in the United States Army.
2. Spiritual Resilience is a vital part of ensuring our Soldiers and Families succeed in their relationships and profession. The recommended CMRP will provide the necessary funding to build spiritually resilient Soldiers and Families that can deal with the stress placed on them by the nature of our mission as the 316<sup>th</sup> Cavalry Brigade.
3. This CMRP is specific and yet flexible. It is designed to ensure that our Chaplains have proper funding to plan and execute a successful plan for Religious Support.
4. This is my program to serve the Brigade family and to all who benefit from their dedication and duty to the Army. Pending the availability of Appropriated Funds (APF), I fully support and approve the attached CMRP for a total of \$19,800 from my FY15 budget. The BDE XO and S4 will manage the Brigade's funds for these programs in accordance with the priorities of the Brigade METL and my Command philosophy.
5. POC is the Brigade Chaplain, CH (LTC) Jeff Dillard at (706) 545-8667.
