

Our Spiritual Resilience grows by having a stronger internal moral compass. Such a heart guides, empowers and frees us to pursue what is Good and True, to attack injustice, to mourn loss, and to avoid unnecessary risks. You can help us build the hearts on Fort Benning by giving us feedback on your experience of a recent worship service, religious education program, pastoral counseling, program for Soldier and Family care, etc.

Before this program/service, I would have rated my hope for the future from "1" to "10" as a...

No hope	1	2	3	4	5	6	7	8	9	10	Complete hope
---------	---	---	---	---	---	---	---	---	---	----	---------------

In each of these four statements, the format should show all numbers 1-10 from left to right and provide the ability to select only one of the numbers in each of the four statements

Because of this program/service, I now rate my sense of hope for the future as a...
