## Level 3: “Serving Up” (radical participation in intimate relationships)

P.L.W. T.E.A.M.S. (4-10 men or women each, meeting weekly for at least one year):  
Where God has placed His followers to Play, Live or Work, by His grace we commit to  
Teach, Equip and Account for each other’s growth with a Missional focus and Supplication  
toward maturity of head, heart & hand in the Body of Christ now and for future generations

To walk with Christ, we must step out of the boat. It may seem foolish, and it will be scary.  
But the only way to be with Him is to be where He is and to go where He is going.  
Only then will His people experience His miraculous wisdom, saving grace, and strength.  
(Matthew 14:22-33 and 2 Timothy 2:1-4)
